

Electronic Device Protection Plan

(Optional – Participation is Voluntary)

Pasco County Schools (District) offer employees the opportunity to purchase an Electronic Device Protection plan for their District assigned laptop or iPad. This plan is optional but strongly encouraged and requires a single premium payment.

Replacement Devices
If the District replaces an employee device during the

What is a single premium payment?

- x A one-time payroll premium deduction
- x Premiums are non-refundable
- x Provides coverage for the January 1 - December 31, plan year
- x Coverage must be renewed each year

Device	Single Premium
Laptop	\$35.00
iPad	\$20.00

Who is eligible to purchase Electronic Device Protection?

All District employees assigned a District owned laptop or iPad are eligible to participate. The program is open to new hires and current employees including employees who are not eligible to participate in the group health plan.

Who should consider purchasing Electronic Device Protection?

- x Employees who frequently travel with their laptop or iPad
- x Employees who take their laptop or iPad home on a regular basis
- x Employees who often walk across campus with their laptop or iPad in hand

What are the benefits of Electronic Device Protection? Electronic Device Protection plan provides protection should your District assigned laptop or iPad suffer any damage due to your negligence during the coverage period. This protection relieves you of any liability and subsequently no out of pocket cost associated with repairs or replacement.
